

# Feisty Colleens, The Other Colleens - Table of contents

The Other Colleens gives an insight into the lives of 210 of the orphans women who went to Moreton Bay in the wake of the 'Belfast Girls'. Like the 'Belfast Girls', the 'Other Colleens' provides detailed records on these women, including their employment, marriages, the births and deaths of their children, and the many incidents in their lives which were reported in the newspapers of the time, such as their criminal records and tragedies which befell them or their families.
